

**HURRICANE SANDY
DELICE INITIATIVE**

RELIEF INITIATIVE

IMPACT REPORT ED. I

Waves for Water Hurricane Sandy Relief Initiative High Level Overview

Our Scope- The communities our efforts have impacted...

In New York: Long Beach, Far Rockaway, Rockaway, Belle Harbor, Coney Island, Staten Island.

In New Jersey: Monmouth, Ocean, Atlantic and Cape May Counties Atlantic Highlands, Monmouth Beach, Asbury Park, Belmar, Pt. Pleasant Beach, Brick, Toms River, Snug Harbor, Ortley Beach, Manahawkin, Beach Haven, Normandy Beach, Beach Haven Gardens, Hawthorne, Lavallette, North Beach Haven, Pine Beach, Beachwood, Seaside Heights, Belmar, Sea Isle City, Atlantic City, Ventnor.

Lives- The people touched by our efforts...

250,000+ individuals, families and businesses in NY and NJ coastal towns hardest hit by Sandy through a combination of essential and ongoing supply distributions, on the ground volunteer efforts, monetary grant donations and restoration and rebuilding projects.

The Support- Monetary donations...

\$1.1M+ in monetary donations thanks to the overwhelming generosity of individuals and corporations, fundraising events and product collaborations to provide direct assistance to those impacted by the storm.

Essential Supplies- Product donations...

\$3M+ in product donations from those across the US that mobilized in support Sandy victims including: clothing, cold weather items, food, toiletries, personal care items, baby supplies, cleaning supplies, tools, construction materials, safety supplies, etc.

The Tangible- Volunteer efforts...

33,000+ W4W affiliated volunteer efforts in NY and NJ to date, ranging in their scope, but inclusive of essential supply distributions, digouts, debris removal, demolition, canvassing, community support and restoration/rebuilds.

The Nitty Gritty- Digouts, demos and getting it done...

5250+ homes and businesses worked on by Waves for Water affiliated volunteer projects including, 2800 homes dug out and demo and debris removal for another 2450 as well as rebuilds, canvassing and community support throughout NY and NJ.

Operation Logistics- Warehousing and storage...

2 Waves for Water supported warehouses, one in NY and one in NJ for essential supply and donation coordination.

14 Waves for Water funded storage containers dropped in the hardest hit communities providing supply storage and distribution support to our relief centers.

1 Long Beach, NY

1 Rockaway, NY

2 Lavallette, NJ

10 Ortley Beach, NJ

On the Ground- Operation Local Relief Center Support...

Ongoing support of 6 relief centers that have been critical in serving their respective communities immediately following the storm and through ongoing efforts during the restoration and rebuild process.

- Small Water Relief Center – Beach 96th Street Rockaway NY
- Rockaway Beach Surf Club – Beach 86th Street Rockaway, NY
- Sandy Help Long Beach Relief Center Long Beach NY
- Long Beach Island Relief Center – LBI, NJ
- Belmar Relief Center- Belmar, NJ
- Ortley Beach Bucket Brigade Relief Center – Ortley Beach, NJ

Sustenance- Operation Empower Local Initiatives...

Critical food programs funded by Waves for Water that provide ongoing relief and a sense of community for displaced residents while restaurants, delis and convenience stores damaged by Sandy work to reopen their doors.

Rockaway Plate Lunch Truck (NY): 60K+ meals to the residents of Rockaway, including approximately 1500 Thanksgiving meals.

Small Water Relief Center– Beach 96th (NY): 5K+ meals to Rockaway residents and volunteers as well as Thanksgiving and Holiday dinners.

Ortley Beach Bucket Brigade Relief Center (NJ): 6K+ meals to local residents and volunteers of this severely damaged community since the center's inception 3 months ago.

Mud City Restaurant/Melanie Magaziner (NJ): Thanksgiving Dinner for 1K+ displaced Sandy Families and Volunteers in Long Beach Island, NJ.

Immediate Relief- Operation Uplift Grants...

A grant to provide a much needed influx of funds awarded to families, businesses or community related operations that have been identified through Waves for Water's work on the ground to get these individuals back on the right track, alleviating some of the financial pressures they currently face in moving towards rebuilding and recovery.
